

**WCSD RESOLUTION 2019-3**  
**WESTHAVEN COMMUNITY SERVICES DISTRICT'S APPRECIATION**  
**of the DONATION of REAL PROPERTY by**  
**TIMOTHY J. CROWLEY and PAULA E. CROWLEY**

**WHEREAS** the WCSD membership and Westhaven community rely on a safe and reliable source of water for multiple needs, and

**WHEREAS** the Westhaven Community Services District (WCSD) currently relies on a combination of groundwater (well) and surface water sources, and

**WHEREAS** the current local sources of water are often not of a sufficient quantity for effective disinfection, and

**WHEREAS** Tim Crowley and Paula Crowley have generously donated real properties in the community of Westhaven, and

**WHEREAS** said properties are adjacent to other properties with wells yielding useful and productive quantities of ground water, and

**WHEREAS** officials with extensive water source expertise have evaluated said properties and concluded that it is likely exploratory drilling on these two parcels will produce a substantial source of groundwater, and

**WHEREAS** this projected quantity of additional groundwater will likely allow WCSD to provide a reliable quantity of water for current and future customers, and

**WHEREAS** the additional drinking water obtained through this donation will facilitate effective disinfection within state health standards;

**THEREFORE BE IT RESOLVED** on behalf of WCSD members and the Westhaven community, the Board and Staff of WCSD extend to Timothy J. Crowley and Paul E. Crowley our deepest thanks for their generosity in gifting these two important properties for the benefit of the Westhaven community.

PASSED, APPROVED, and ADOPTED this fifteenth day of May, 2019 by the following roll call vote.

AYES: Verick, Moon, Cline & Phipps  
NOES: None  
ABSTAIN: None  
ABSENT: Hankin

David Hankin, President  
Westhaven Community Services District

ATTEST:

Roxanne Levang, WCSD Secretary
