

RESOLUTION 91-7

MOVING WATER SERVICE CONNECTIONS

WHEREAS, the construction project to upgrade the water system involves moving and adding some water lines and thus changes the physical location of some service connections; and

WHEREAS, individual water users have requested that their service connections be moved; and

WHEREAS, there are costs connected with moving service connections; therefore

BE IT RESOLVED, that if the WCSD Manager determines that it is desirable or necessary to move an existing water service connection, the WCSD will pay the costs of the move; and

BE IT RESOLVED, that if an individual water user requests WCSD to move a water connection, the requestor will pay the costs of the move, unless the WCSD Manager determines that the move will benefit the WCSD in which case the WCSD may pay the costs of the move; and

BE IT FURTHER RESOLVED, that volunteer labor on the part of the property owner/renter of the parcel involved will be solicited, encouraged and profusely thanked by the WCSD Manager.
